The spice extends life, the spice expands consciousness, the spice is vital to space travel.

The Spacing Guild and its navigators, who the spice has mutated over four thousand years, use the orange spice gas which gives them the ability to fold space. That is travel to any part of the universe without moving.

The spice exists on only one planet in the entire universea desolate, dry planet with vast deserts.

Hidden away within the rocks of these deserts are a people known as Fremen who have long held a prophecy, that a man

would come, a messiah, who would lead them to true freedom.

The planet is Arrakis, also known as...
